

SPRING DAY 8.3. PROGRAM

1. FLOOR

WORKSHOP: MUU-MAU'S BIRTHDAY MYSTERY

Kammio | 11.15, 11.45, 12.15, 13.15, 13.45 and 14.15

Muu-Mau's birthday party is about to start but the birthday present is missing! Come along and solve the mystery! There will be music, circus and fun games. The workshop takes about 20 minutes and the first 10 children can attend each workshop.

CRAFT WORKSHOP: CROWNING CEREMONY

Kässä 1 & 2 | Non-stop 11–15

Everyone is a hero and deserves a crown! In Näppi's family craft workshop you can design and make a colorful, diamond-studded celebration crown for yourself together with your own adult. You can wear the finished crown immediately and take a picture at Kaleva Navetta's photo booth. The free workshop operates on a non-stop basis. Making the crown takes about 20 minutes.

ADULT & CHILDREN WORKSHOP: MUU-MAU DECORATIONS

Kässä 3 & 4 | Non-stop 11–15

In this workshop for adults and children you can make Muu-Mau decorations!

In the shrink plastic workshop you draw and color a Muu-Mau figure on shrink plastic. The artwork is shrunk, hardened, and finished with a hanging loop. Material fee 3 €.

In the iron-on transfer workshop you can iron a Muu-Mau image onto your own clothing or a canvas bag. Bring a piece of fabric from home that you want to attach the iron-on transfer (size 5x8 cm). Material fee 3,50 €.

2. FLOOR

STATUOMANIA

Exhibition Space Halli | Free admission 11–15

The Statuomania exhibition examines who decides what kind of statues, monuments and other works of art are erected in the common urban space of everyone. What kinds of things are considered worth remembering and what kinds are not? The exhibition features sculptures, installations, paintings and videos. There are works of art that dissolve and evaporate. This exhibition also includes an artwork that you can go inside! Remember to take your shoes off before you go.

WORKSHOP: A BIRTHDAY CARD

Workshop Space Itikka | Non-stop 11–15

What kind of memories do you have from your birthday? In the non-stop workshop, a colorful birthday card is made by using the collage technique, i.e. combining different materials. You can write a secret message or memory from your birthday on the card, which will only be visible under UV light.

MUU-MAU'S BIRTHDAY DISCO

Hugo-hall | Non-stop 11–15

Muu-Mau's birthday disco is guaranteed to be fun! The DJ will raise the party mood with the best dance songs. There will also be a balloon magician who will make the most fun balloons for the children.

3. FLOOR

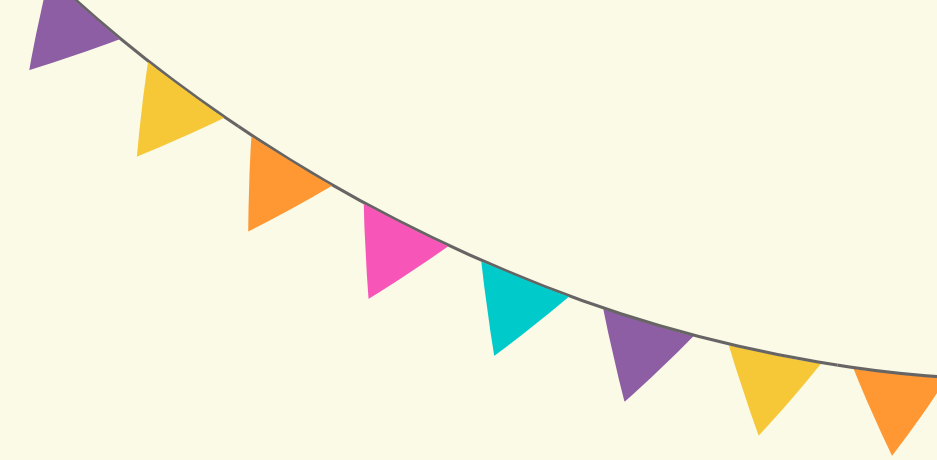

CHAINED TO LIGHT

Exhibition Space Vintti | Free admission 11–15

Julia Widgrén was a photographer who lived in the 19th century and took the most famous photograph of Häjyt in Finland, namely Antti Isotalo and Antti Rannanjärvi. The exhibition talks about Julia's life and work, the people she photographed and the development of photography in Finland. The exhibition features photographs, drawings, object installations and video works.
